

# Help when you move into one of our courts

 We like to take the stress out of your move

Your Court Manager and Services Manager can help to make your move straightforward. Please talk to them and use this checklist as a starting point in your preparations.

## Preparations

- 1 Packing, unpacking and transport
- 2 Removal of unwanted goods

We can help you to plan your move and, in many cases, arrange any help you need. All services arranged on your behalf are charged direct or charged on at cost.

## Moving Day

- 3 Call us to let us know when you are hoping to arrive at the court.

The Court Manager will greet you and, should you wish, assist with overseeing the transfer of your furniture and goods into your apartment.

At most courts, car parking spaces can be made available for your delivery vehicles and family cars, especially if we know what to expect.

## You've moved in

- 4 Once moved, notify your:
  - Doctor
  - Utility company
  - Bank
  - Insurance Company
  - DVLA
  - Television and Internet Provider – including TV Licensing

## Making it your own

- 5 Fixtures and fittings

Most courts have a professional handyman who can help with odd jobs, such as putting up pictures and shelves. Just let your court manager know what you need.

To help you settle in, RSL will pay for the doubling of your first week of housekeeping assistance to 3 hours, along with up to 3 hours of handyman assistance and a dining room meal, every day for the first seven days.
